2024 - Present

G. C. E Advanced Level in Science Stream
Vidyartha College
2020 - 2022(2023)

G. C. E Ordinary Level
Vidyartha College
2018 - 2019

PROJECTS

Fuel Management System (Ongoing)
Full-Stack Web Application using MERN Stack

Developed a full-stack Fuel Management System using the MERN stack (MongoDB, Express.js, React, Node.js) with features like fuel tracking, an admin dashboard, and real-time updates. Focused on responsive design, secure data handling, and modular development, with ongoing enhancements to UI/UX and integration of data analytics for reporting.

Arcade – E-Commerce Gaming Website
Full-Stack Web Development using PHP, MySQL, HTML, CSS, JavaScript

Developed a dynamic e-commerce website for digital gaming products using PHP and MySQL, with features such as user registration, product listings, shopping cart, and admin control via phpMyAdmin. Designed a responsive front end with HTML, CSS, and JavaScript, focusing on session management, data validation, and a smooth user experience.

EXTRACURRICULAR ACTIVITIES

- **Member** – **Astro Society, Vidyartha College, Kandy**
  - Participated in astronomy workshops and events.
- **Member** – **Science Society, Vidyartha College, Kandy**
  - Engaged in science exhibitions and group activities.
